DECLARATION	

In paragraph 7 of its opposition, Acme Collections, Inc. states that my utility bills for the month are excessive and overstated. My house is not very energy efficient, and so my electricity and gas bills on average are high. I have attached as Exhibit A copies of my gas, electric, and other utility bills.

In its opposition, the plaintiff has correctly pointed out that my monthly income is less than my monthly expenses. My brother has been helping pay a couple of my bills, paying the amount that I fall short each month. He is not obligated to help me, and I currently owe him \$3,025. I am currently going slightly more in debt every month, but have been trying to cut back my expenses. In three months my car will be paid off, and my monthly expenses will be slightly less than my monthly income.

I declare under penalty of perjury under the laws of the State of California that the foregoing is true and correct.
